Ms. May Recruitme
Director of Human Resources
Major Animation Studio
999 Production Lane
Burbank, California 55555

Dear Ms. Recruitme,

My name is Rock N. Thamouse, a student of the Cal Arts Character Animation program, receiving my Master's degree this May. I am writing to express my interest in the position of Character TD listed on your company website (*job reference code #CTD001*). Please find enclosed my complete application form, resume, and demo reel.

I greatly enjoyed Digital Supervisor Art Major's presentation on stylized CGI at last month's SIGGRAPH local chapter meeting in Los Angeles. My graduate work at Cal Arts has been intensely focused upon 3D character setup, with a particular emphasis on cartoony rigging techniques. I enjoy applying classical animation principles to CG characters, and am excited by the opportunity to contribute to Major Animation Studio.

I am available for interview by phone or in person at your convenience, and look forward to speaking with you. Thank you for your time and consideration.

Sincerely yours,

A handwritten signature in black ink that reads "Rock N. Thamouse". The signature is written in a cursive, slightly slanted style.
